DEDICATION

Mrs. Shelton, 1959

Mrs. Lois Mabry Shelton

Who is the lady at whom everybody smiles, to whom all listen, and the entire College family respects — Lois Mabry Shelton. It is to her that the staff dedicates its 1989-1990 Martin Methodist College Martinaire.

Lois served two generations of students in her thirty years at Martin, after being hired November 15, 1959, to work in the Office of Records and culminating with her retirement on September 30, 1989. In 1960 she became Executive Secretary, responsible in succession to

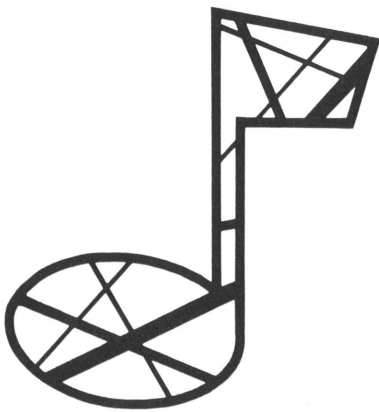

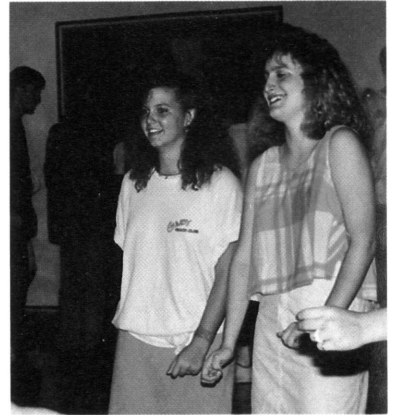

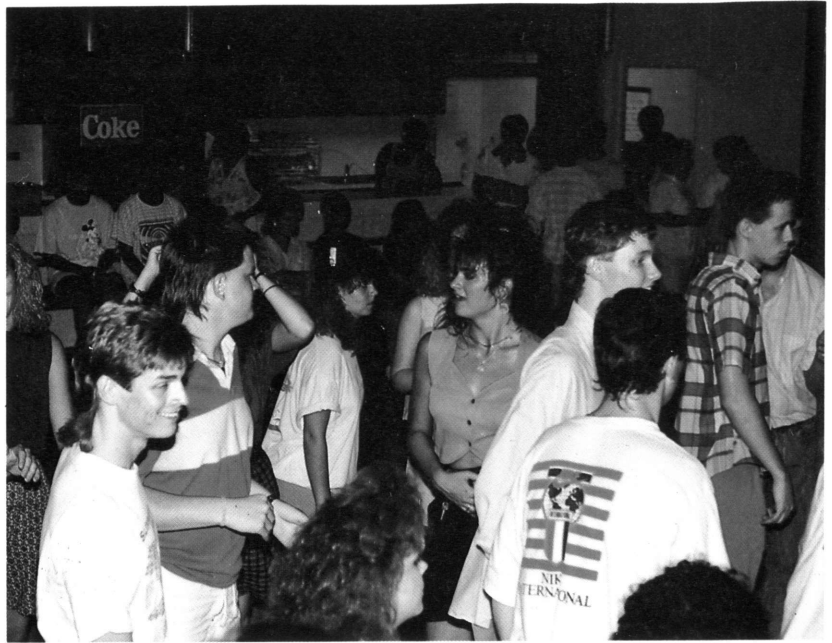

two presidents, J. Fort Fowler (1960-61) and W. C. Westenberger (1961-70). Subsequently, she was Business Manager under presidents Harry D. Wagner (1970), Thomas E. Gray (1971-74), and Bill M. Starnes (1974-85). Since 1985 she has been Bursar of the College. We, the present students, see her as an able and beloved friend.

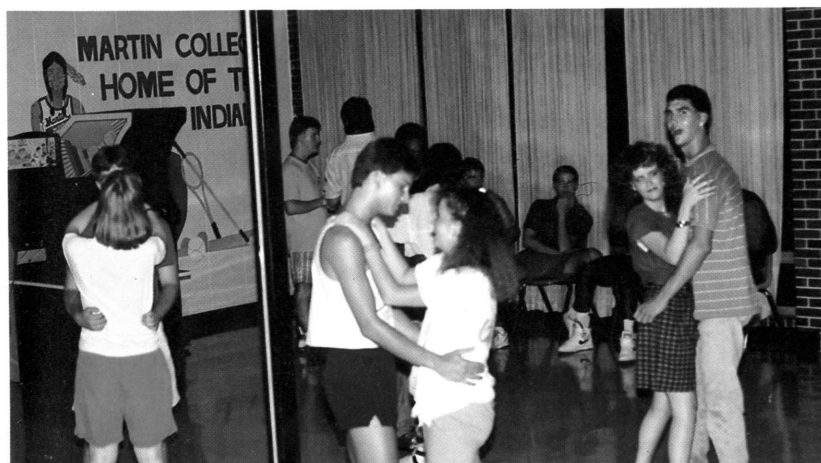

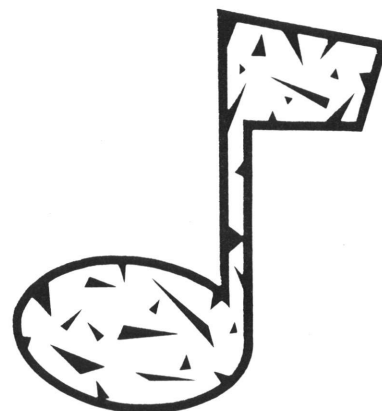

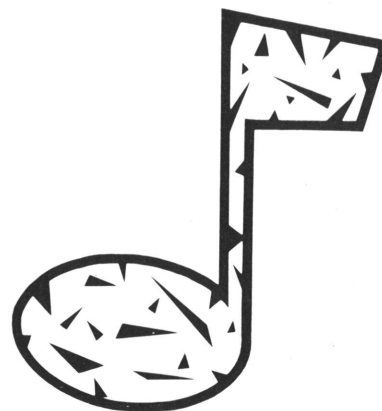

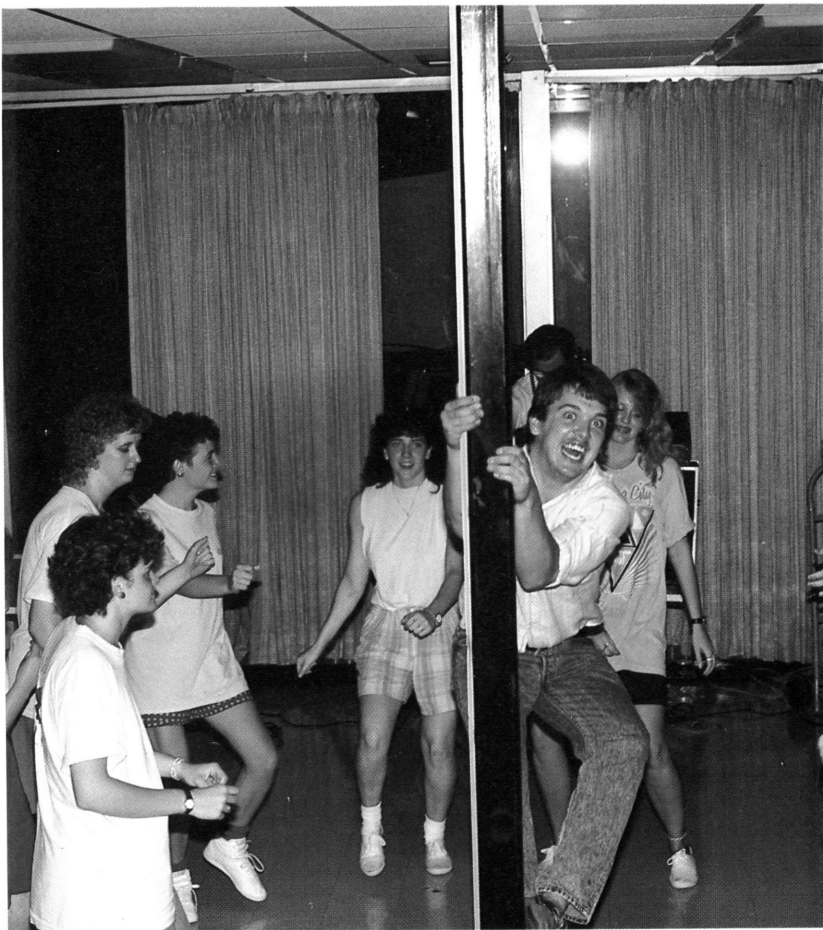

Some of her beyond-the-job duties included: official college hostess, director of homecoming, Martin Ladies Club leader, and cheerleader sponsor. Off

campus she is a wife, mother, grandmother, and great-grandmother. She and husband, Morris Shelton, have three children, five grandchildren, and one great-grandchild. In every responsibility, she is always gracious and considerate of others. She is never too busy to stop and help. For all the duties she has performed to make Martin successful, she is affectionately known as "Mrs. Martin." We salute you, Mrs. Lois Shelton, for a job well done.

Let's Dance

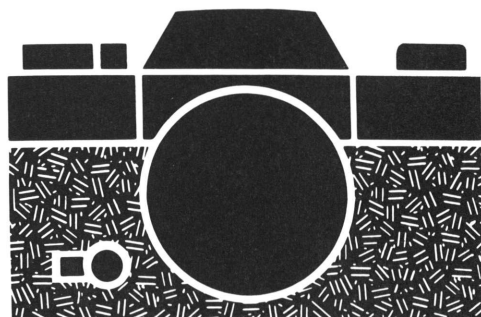

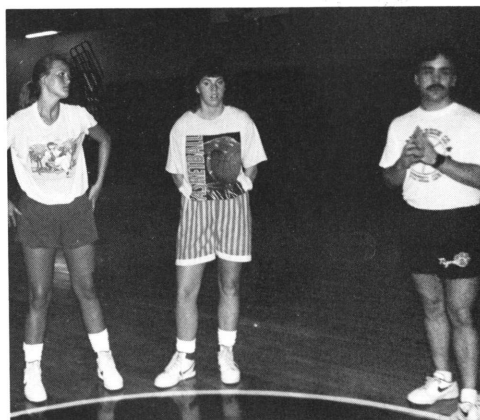

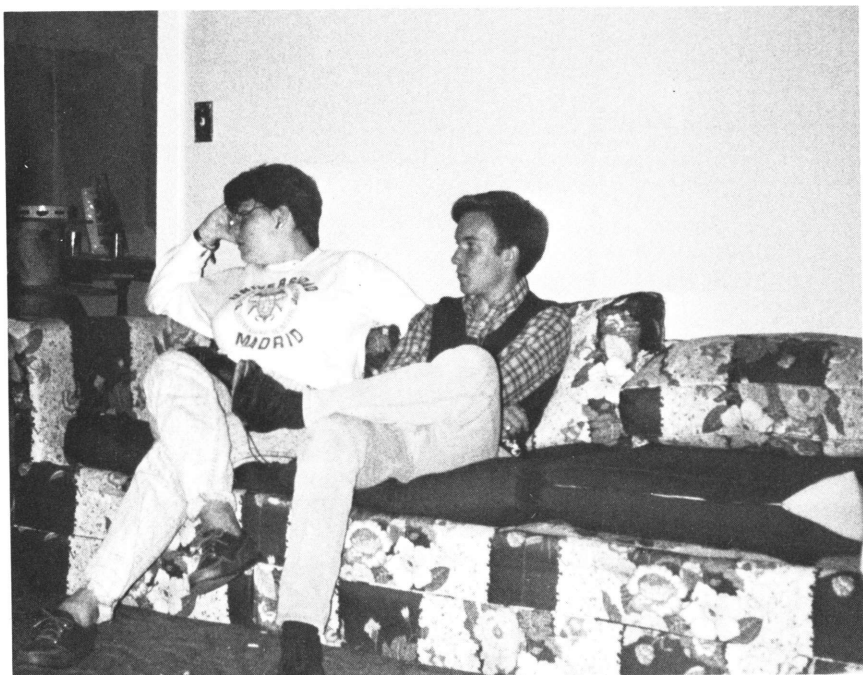

A chapter in our book of life has come to a close. High School memories are already made and put away in the back of our minds. We are now making memories for the second chapter. This chapter is entitled Martin Methodist College. College is said to be some of the happiest times of

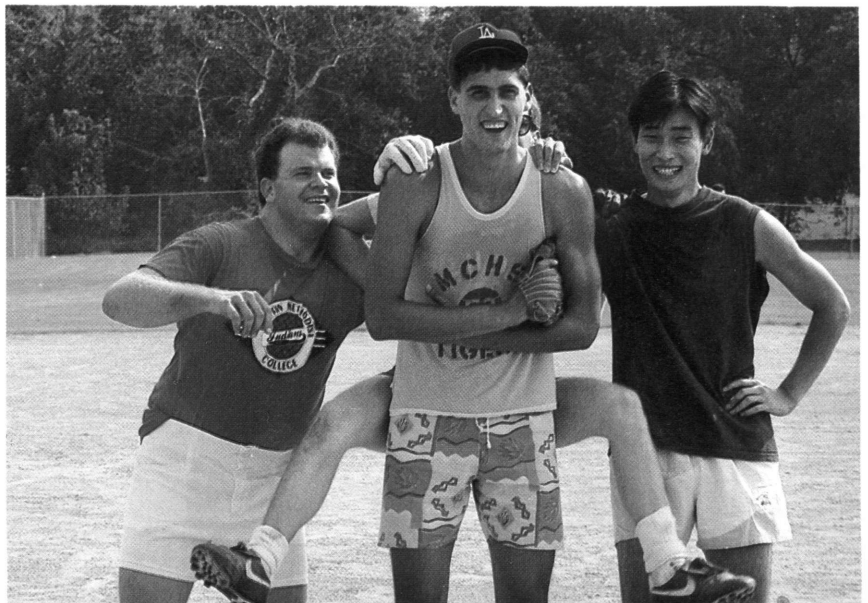

our lives, yet they are only as great as we make them. There are good times and good friends floating around everywhere. Grab them and make friends and memories. And make your memories become "MEMORIES IN MOTION."

FACULTY, ADMINISTRATION AND STAFF at Work and Play!

Dear Students,

The 1989-90 academic year at Martin Methodist College has been an exciting one. It is a year of challenges and opportunities. The challenge is in helping each of us, faculty, student, staff, reach our highest potential. Each person has within them untold resources we never touch or use. Higher education forces us to stretch ourselves, to reach beyond the comfortable and the easy. I hope we have all stretched ourselves this year and that we are better for the experience. The opportunities for the year have been numerous, being away from familiar friends and meeting new ones, new choices, a new town, and greater expectations. The success of any college year is determined individually. Has it been a good year for you? If so, probably because you helped make it so. Thank you for all that you bring to Martin Methodist College, your freshness, enthusiasm, laughter, concerns. Without students, the campus is just a collection of buildings. With you it is an exciting place to live and work.

Thomas S. Yow, III
President

IN MEMORY OF

MR. ROBERT E. CURRY
1922-1989

Robert E. Curry, Martin alumnus, member and officer of our Board of Trustees, enthusiastic supporter and benefactor of the College, died on October 1, 1989. Our institution along with the entire Giles County community mourn the loss of this exceptional person. Mr. Curry loved Martin Methodist College and always took time to care about and assist students and faculty through many acts of thoughtfulness and kindness.

Mr. Curry was noted as an outstanding business and civic leader. He was the Chairman of the Board and the Chief Executive Officer of First National Bank of Pulaski and was the inspiration behind the bank's very popular community theater. Many of

our students have participated in dramatic performances in that theater and we have used it for other student and college affairs. Mr. Curry also was an active member of the First United Methodist Church in Pulaski.

Martin Methodist College benefited significantly from the intellect, creativity, and concern of Robert E. Curry. The Christian Life Center would not be a reality today except for his leadership and commitment. The facility was named for him in appreciation for his leadership. He also was a recipient of the college's highest honor, the President's Medallion.

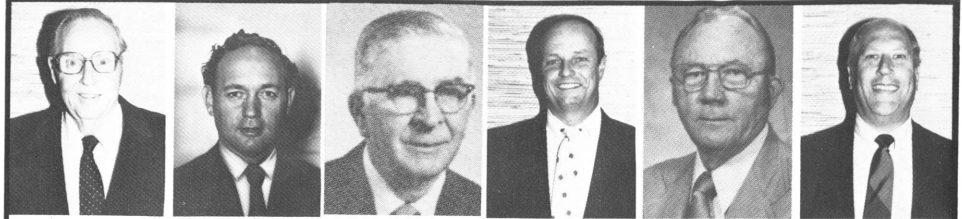

Mr. Curry attended many of the functions and events on our campus. He was an enthusiastic supporter of

our athletic program as well as our concert and lecture series. He enjoyed knowing students and was vitally concerned about the academic progress of students.

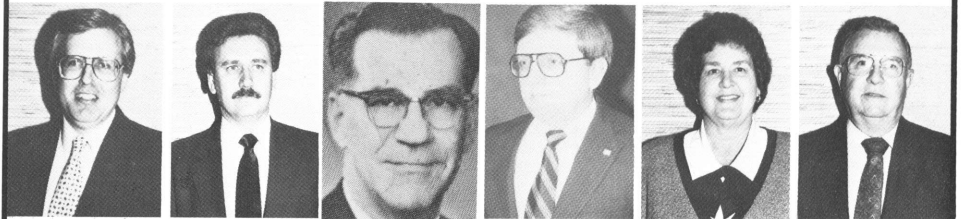

We are grateful for the life of Robert E. Curry. He was an outstanding individual who always reflected credit on Martin Methodist College. We are proud to call him an alumnus. His life represented the principles that undergird this college: commitment to the Christian faith, a striving for excellence and a concern for others. It is with a deep sense of loss that we acknowledge with appreciation the life of this outstanding individual and this great friend of Martin Methodist College.

The 1989-90 yearbook staff was slim but those who worked were determined. I hope that you, as students enjoy what we have packed into the ninety-six pages of the 1990 *Martinaire*. Annette and I came into this year hoping to have a large and hard working staff. Those dreams soon were destroyed with only four workers helping. Those four workers made the difference. They were Amanda Carlen, James Owens, Dawn Archer and myself. With leadership of Annette Archer, these students pulled together through the tough times of deadlines, by having weekend working and spending late afternoon hours. I would like to thank all the workers who I haven't mentioned who gave part of their time. I hope that all of you enjoy the book and think that it shows your "Memories in Motion." — Michelle McDonald, Editor.

The Computer Club offers students with a common interest, i.e., computers, the opportunity to get acquainted. Being a young club, no officers have been elected. The club sponsored tours of the computer facilities at First National Bank of Pulaski and at the Alabama Supercomputer Center in Huntsville during the Fall Semester. These tours provide a great learning experience supplemental to the academic computer classes available to club members.

The background of the entire page is filled with a complex, abstract pattern of thick, black, swirling lines. These lines form loops, spirals, and fluid, organic shapes that create a sense of movement and depth. The lines vary in thickness and are set against a plain white background.

The Lady Indians worked hard starting with the first days of school. Coach Johnny Jones, in his second year at Martin, brought in four new freshmen to join the eight returning sophomores. Coach Jones' motto, "the key to winning is defense," was paramount in the team's strategy for the 1989-90 season.

After a pre-season knee injury sidelined experienced sophomore Melanie Cotton, the freshmen were relied upon heavily and had to learn the game quickly. The Ladies displayed dedication and determination and were an exciting team to watch.

The Men's Basketball team graduated several Sophomores last year, leaving a number of less experienced players on this year's squad. Led by eight experienced sophomores the 1990 Lady Indians softball team proved to be a leading contender for the state junior college title. To prepare for the state playoff the team scheduled 24 double-headers mostly against strong senior college competition. A number of touring northern teams traveled south to play the Lady Indians during their Spring Break.

During the previous 1989 season the MMC lassies copped the TJCCAA state title as well as Region VII NJCCAA honors. In the Southern District playoff Martin was edged out by Spartanburg Methodist College which ended Martin's national tournament aspirations.

The 1990 Martin Methodist College baseball team fielded six sophomores and twenty-two freshmen who competed in the always-tough Tennessee league. Of the twenty-eight team members, twenty came from Tennessee and North Alabama. On-the-field contributions and leadership from the sophomores were the key elements for success in 1990.

The primary purpose of the baseball program at Martin Methodist is two-fold. First, the players strive to progress academically in preparation for transfer to senior colleges and, second, the team works to progress day-by-day on the practice field in preparation for winning. The 1990 season provided to be a challenging, exciting and rewarding one.

The MMC cheerleaders are a vital part of the athletic program. They enthusiastically cheer on both our men's and women's basketball teams. Their enthusiasm and spirit are contagious and fires up the spectators — all providing much-needed “vocal” support to our teams. The time and energy our cheerleaders put in is appreciated very much by our school.

The Golf team will be somewhat inexperienced again this year; however, the addition of new teams from several other area Junior Colleges should provide for a very interesting season. Of course, it will be hard to replace some of the talented players like Brent McMahon who performed last year, but John Hanna and others are improving each day. With continued improvement, the golf team should be very competitive.

ACTIVITIES

NICKELL PICNIC

Reverend and Mrs. Marcus Nickell have hosted the Nickell Picnic for over twenty years on their farm located in a scenic hollow seven miles outside Pulaski. The first Wednesday in October has traditionally been set aside for students, faculty, staff and their families to gather for an evening of fun and fellowship. Hotdogs roasting over an open fire, corn boiling in the big black kettle, volleyballs whizzing through the air, all these things create lasting memories for Martin Methodist College students.

SPIRITUAL EMPHASIS DAYS

FOCUS ON FAITH

Spiritual Emphasis Days has continued to be an exciting part of campus life. Each semester the Student Christian Assoc. sponsors a guest preacher for a three-day stay on campus. The highlight is the evening worship services. Chris Hughes, editor of Youth Magazine was our guest in the fall semester. He delighted us with his music, his humor and his ability to bring the Presence of God to life through his faith and talent.

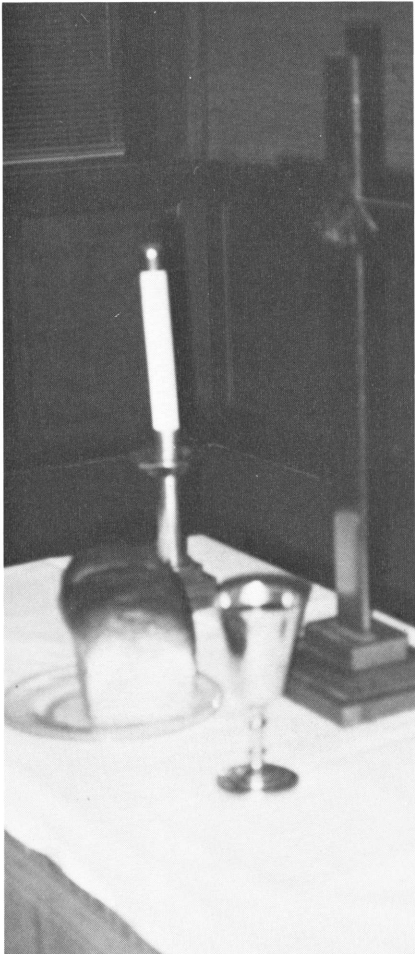

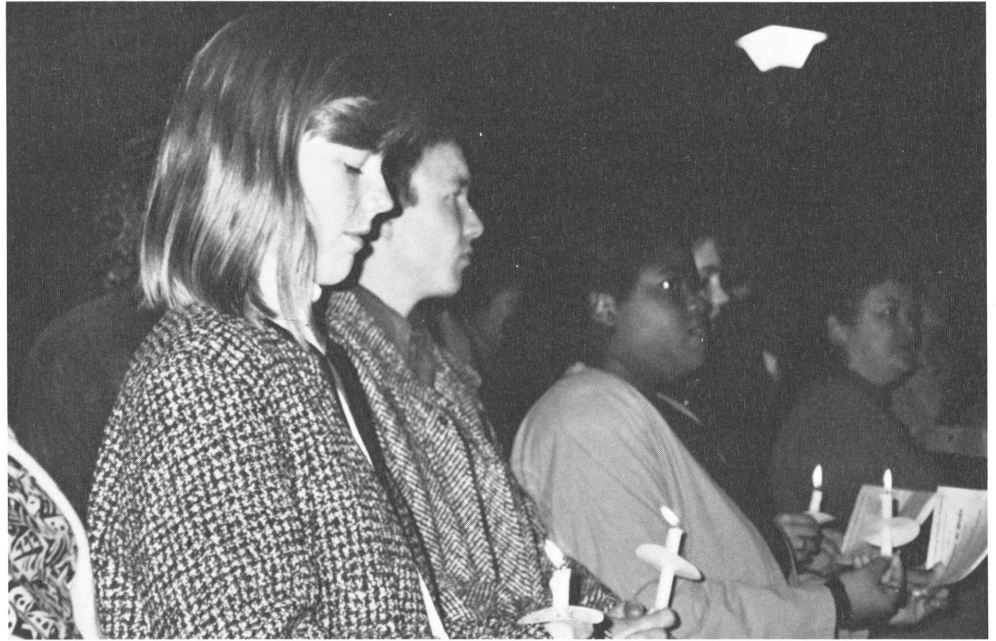

The entire community is invited to these days of spiritual growth. The Student Christian Association is proud to sponsor this important event on the Martin Methodist College Campus.

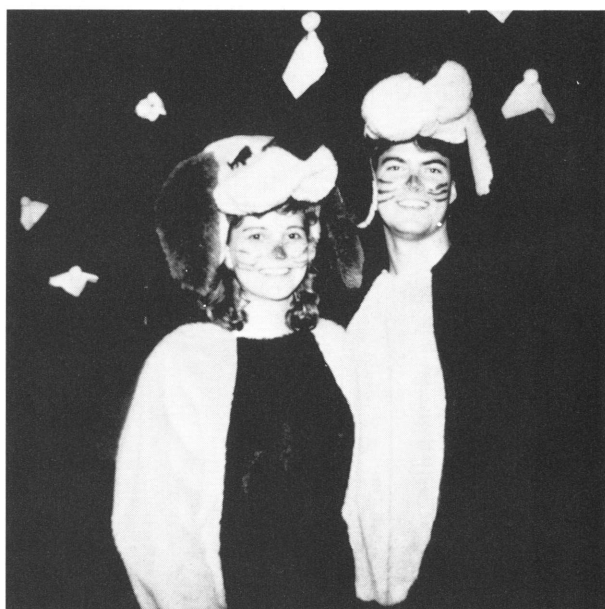

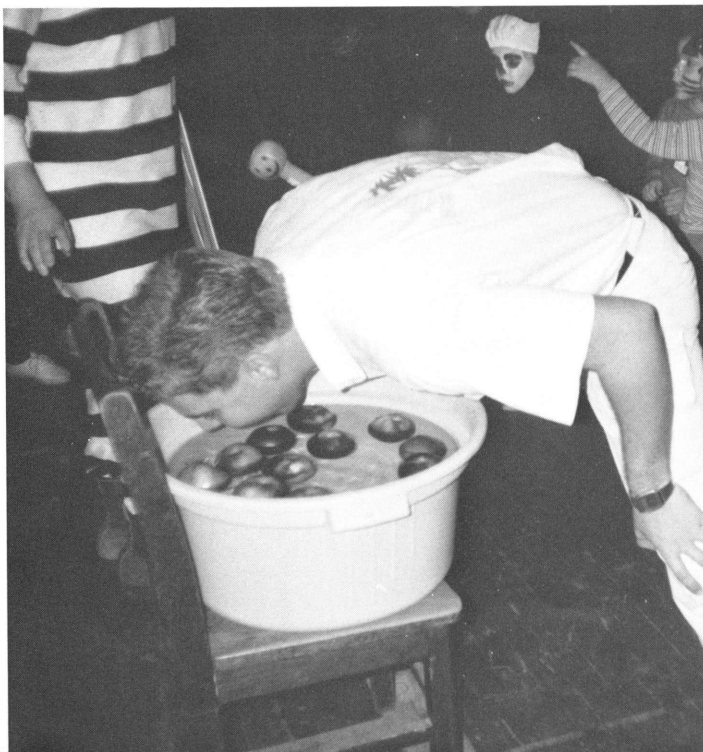

Now is faith is a substance of things hoped for, and the evidence of things not seen.

CHRISTMAS AT MARTIN

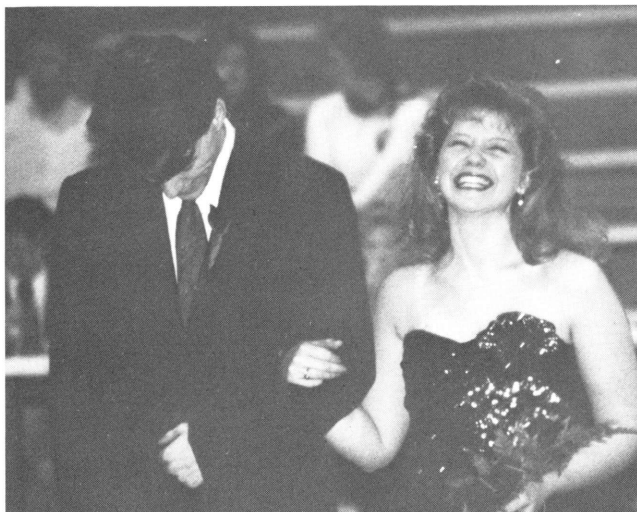

Christmas at Martin Methodist College was a busy and fun time. The Associated Student Government marked the beginning of the Christmas Season by holding a candlelight tree lighting service. The choir entertained with their annual Christmas concert. SCA sponsored a Christmas party for the underprivileged children in Giles County. MMC students who wished to sponsor a child did so by providing a gift and helping the children with arts, crafts and refreshments. The MMC Cheerleaders sponsored the "Mistletoe Ball" for all MMC students to enjoy. The Christmas activities on campus concluded with a Communion Service led by the campus minister.

HOME COMING

The Homecoming Court was chosen in the Fall Semester in a Homecoming Election in which most of the student body voted. The identity of the King and Queen was kept a secret until the night of the Coronation, January 27, 1990.

The 1990 edition of *Who's Who Among Students in American Junior Colleges* includes the names of seven students from Martin Methodist College who have been selected as national outstanding campus leaders.

Campus nominating committees and editors of the annual directory have selected these outstanding sophomores to be recognized by the national program. Criteria for inclusion are academic achievement, leadership in academic and college activities, service to the community, good citizenship, and promise of continued achievement and success. These students join an elite group of students selected from more than 1,400 institutions of higher learning in all fifty states, the District of Columbia and several foreign nations. Outstanding students have been honored in the annual directory since it was first published in 1934.

As a lifetime benefit, student members of the "Who's Who" program are entitled to use the special reference service maintained for the exclusive assistance of students seeking admission to a senior college or postgraduate employment.

Martin Methodist College winners are honored with certificates presented to them at the annual campus Awards Day Assembly held just before graduation each year.

MARTIN METHODIST COLLEGE CAMPUS STORY

Martin Methodist College, founded in 1870, is a liberal arts, two-year college related to the Tennessee Conference of The United Methodist Church.

The college bears the name of Thomas Martin who provided for the establishment of a school for girls in Giles County by giving the original endowing gift of \$30,000.00 through a provision in his will in 1870. His bequest

was the fulfillment of a dream of his daughter Victoria, who before her death at the age of twenty, requested that her father establish such a school for young women.

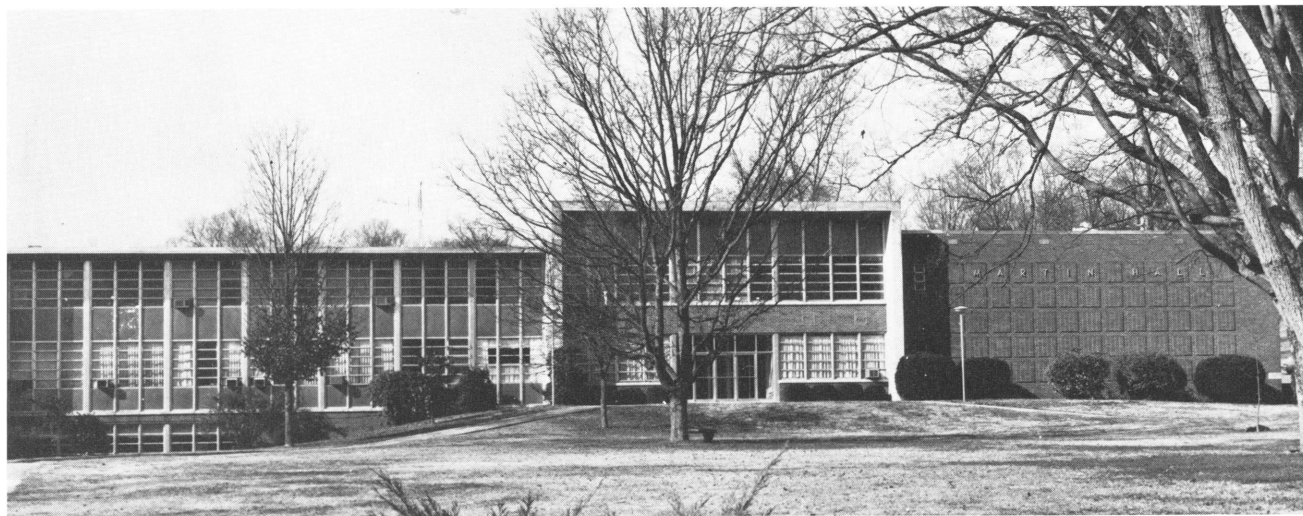

For many years the college was operated as a four-year boarding college for women, with an elementary division for the children and young people of Pulaski. Many persons of influence are numbered

among its illustrious graduates. Its first building stood near the site of the present administration building, Martin Hall. As the college grew, new facilities were added and the site of the campus expanded. The number of male students has grown until the student body shows a ratio of approximately half women and half men.

In April 1986 the Board of Trustees added the

word "Methodist" to the college's name. This addition affirms Martin's strong ties to The United Methodist Church as well as clearly stating the values of the Wesleyan tradition which undergrid the college.

SPRING DANCE

Dancing has proven to be a popular activity on Martin Methodist College campus. During the year dances are held by ASG and other clubs. During Christmas the cheerleaders held a "Mistletoe Ball." Usually, the biggest dance of the year is in April, the Spring Dance. This dance allows students to dress up in formal wear. The Spring Dance is the highlight of the second semester at Martin.
